

## **TOTE IS AN ENVIRONMENTALLY-FRIENDLY COMPANY!**

**As an ISO 14001 compliant company, TOTE Services is committed to preserving the environment. TOTE adheres to all applicable laws and regulations concerning environmental protection. In addition, TOTE is environmentally progressive, continually looking for ways to improve its environmental performance.**

**All crewmembers are expected to comply with environmental regulations, and are encouraged to participate in the environmental management and improvement processes.**

**For more information, please see your ship's Captain. You may also contact TOTE's ISM Designated Person, Management Representative, or Port Captain.**
